## Premoistened Adult Wipes

*A tender approach to adult personal care*

TENDERProtect premoistened wipes are engineered for maximum effectiveness for adults. The hypoallergenic formula contains lanolin and aloe for sensitive skin. A resealable opening allows for single-hand dispensing and keeps the wipes from drying out for many days after opening.

Top uses include:

- ✓ Cleaning after incontinence
- ✓ Body cleaning when a bath or shower is not available
- ✓ Soothing after normal bathroom use
- ✓ Substitute for baby wipes

Keep your skin feeling fresh, clean and healthy with TENDERProtect adult washcloths.

Our wipes measure 9x12 inches and are larger than most wipes. TENDERProtect wipes are not flushable.
