

# TenderProtect®

## Basic Adult Wipes

### Essential, Convenient Wipes for Daily Skin Cleaning and Personal Care

TenderProtect Basic Adult Wipes are ideal for quick, gentle skin cleansing. These pH-balanced, hypoallergenic, alcohol-free wipes are crafted with soft spunlace fabric that's gentle on sensitive skin while being durable enough to handle sweat, dirt, and everyday messes. Infused with soothing aloe and lanolin, each wipe calms and refreshes, making them great for adult incontinence care, babies and everyone in between who needs a quick refresh. TenderProtect Basic wipes are a hygienic alternative to washcloths – no need to rinse or dry off, just wipe, throw and go.

The resealable tab keeps unused wipes moist and prevents wipes from drying out. Wipes measure 8 x 10 inches and are larger than most wipes. TenderProtect Basic wipes are not flushable.

#### Product Features
